Dear Applicant,

Thank you for taking the time to fill out this application for employment. Please answer all questions as honestly and thoroughly as possible. All information which you provide during the application process will be kept confidential. We do reserve the right to contact your previous employers (unless otherwise specified) and the references for which you provide contact information. Any application which is not entirely completed, meaning all questions answered truthfully and sufficiently (except those marked as optional, or those which are inapplicable to the positions for which you are applying) may be discarded at our discretion. It is our policy to keep completed applications on file for six months, so you do not need to resubmit an application for every new opening.

It should be noted that all positions will require an interview prior to hiring, and some may also require submission of a resume more closely detailing the information you provided on your application. All driving positions (which may include some warehouse positions) will require a check of your driving history for insurance purposes. Lafayette Warehouse, Inc., and its associated affiliates are Equal Opportunity Employers, and do not base employment decisions on sex, national origin, race, color, creed, religion, age, or disability.

Due to the number of applications which we receive, it is not possible for us to respond to all individual applications. If after receiving your application we feel we have a position available you will be contacted for an interview.

Thank you again for taking the time to complete this application. If you have any questions or need assistance, please feel free to ask.

Sincerely,
