PHILIPS

NightGuide platinum bulbs

Philips NightGuide platinum
upgrade headlight bulbs

Up to **130%** more vision* for safer driving

Philips NightGuide platinum upgrade headlight bulbs produce up to **130% more vision*** compared to a standard halogen bulb.

These bulbs improve visibility at night and enhance driver comfort by reducing fatigue. Projecting light farther ahead gives drivers more time to react for safer driving.

- Innovative high performance beam
- Cool beam color – up to 3400 K
- Chrome top coating for high-end look
- DOT compliant

*Compared to standard minimum legal requirements in low beam headlamp test results

Philips NightGuide platinum
upgrade headlight bulbs

Improved performance for your driving safety.

High performance bulbs

- High precision, high luminance filament for precise beam placement
- Proprietary gas filling improves bulb lifetime and bulb performance

Cool bright beam

- Up to 3400 K color temperature
- More contrast and enhanced visibility
- Improves driver comfort by reducing fatigue
